

# Extruded Aluminum **NEW!**

# Light Boxes

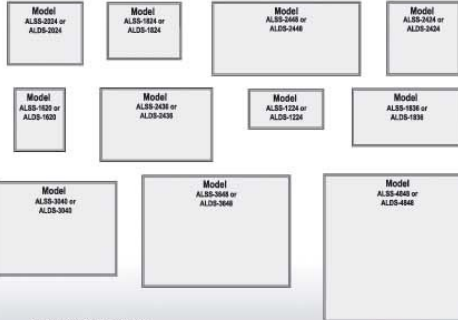

Aluma-Lites are an exciting new line of SINGLE or DOUBLE sided all aluminum light boxes. Contemporary styling allows them to be used in a wide range of retail and point of purchase applications such as trade show exhibits, retail stores, museums, and more.

EASY ACCESS HINGED SYSTEM allows for quick changes of graphics and lamps. The single sided unit is only 3 1/2" deep and the double sided unit is only 4 7/8" deep.

Both units provide EXCELLENT ILLUMINATION for all types of images.

## Available in Single and Double Sided

### Popular Sizes More Available

All dimensions may vary +/- or -1/8"
